

DATA SHEET – 24-7 SMARTRACE® ADULT CATTLE

Presentation

A 160g bolus containing the following trace elements:

Nutritional Additives		Average daily supply over 180 days from one 160 g bolus
Iodine (Calcium Iodate)	25,870mg/kg	23.0 mg
Cobalt (Cobalt Carbonate)	3,032 mg/kg	2.7 mg
Selenium (Sodium Selenate)	1,378 mg/kg	1.2 mg

Uses

A dietetic complementary feed for the long-term supply of grazing adult cattle with trace elements. Intended for adult cattle on grass or forage-based diets with a liveweight over 400 kg. Agrimin **24-7 SMARTRACE® ADULT CATTLE** is designed for situations where iodine, cobalt and selenium supplementation is essential in the run up to calving and service where additional copper is not required.

24-7 SMARTRACE® ADULT CATTLE boluses are designed to lie in the reticulum. The wrapper on the bolus dissolves and the bolus breaks into two parts. These erode and dissolve thus providing a continuous and regular supply of nutrients to the animal over its 180-day active life. The bolus dissolves completely leaving no residue in the reticulo/rumen.

Simultaneous supplementation of additives with a maximum content from other sources to those incorporated in a bolus, if applicable, shall be avoided.

Before using, it is recommended to have advice from a veterinarian or nutritionist concerning:

1. The balance of trace elements in the daily ration
2. The trace element status of the herd

Dosage and Administration

Administer one 160 g bolus per animal

24-7 SMARTRACE® ADULT CATTLE can be used on the following livestock: Dairy cows at drying off, dairy heifers 3 months pre-calving, suckler cows in copper sufficient areas and donor and recipient ET cattle

Always use the recommended Agrimin bolus applicator A

Contra-indications, Warnings etc

There is no need to administer additional iodine, cobalt or selenium during the active life of **24-7 SMARTRACE® ADULT CATTLE** (180 days)

MEAT AND MILK WITHHOLDING PERIOD – NIL

Pharmaceutical Precautions

Do not administer to cattle weighing less than 400 kg liveweight

Store in a cool, dry place

Reseal part used packs

Do not drop onto hard surfaces

Keep out of the reach of children

Legal Category

Dietetic complementary feed

Package Quantities

24-7 SMARTRACE® ADULT CATTLE is packed in units of 10 (enough for 10 cattle)
